We really would love to connect with you and your family to get to know you better.

LOVE WORLD

It's all
about the
gospel

Miami - NAMB Church Planter Carlos Lollett asks for prayer as a "Launch Team" is formed to begin a new church. Covid-19 is causing delays of people of interest.

Mexico - Covid-19 is beginning to hit hard in the area that WMBC flies into. Teams are delayed for fear of carrying the virus into the villages. Pray the people will see God's hand of protection during uncertain days.

SE and Central Asia

Pray for the missionaries as they use social media to share the gospel during the Covid-19 virus.
